Pebble Plan

Location: Amarillo, TX | <u>https://www.pebbleplan.com/</u>

Social Media: <u>Pebble Plan LinkedIn</u> | <u>Facebook</u>

Pebble Plan software gives banks new tools to reduce defaults and identify risks that credit scores can't, while giving entrepreneurs a collaborative and educational workspace to plan their growth and/or recovery. Banks and the community both win with Pebble Plan!

Tracy Shea / CEO | tracy@pebbleplan.com | 806-340-7006 | Tracy Shea LinkedIn

Traction: Pebble Plan continues to add users, deals, and revenues on a regular basis. We are increasing traction among all three of our target markets; financial institutions, economic developers, and individual entrepreneurs. We are on track to more than double our 2022 revenues.

Team: Pebble Plan's teammates each bring at least 20 years of professional and entrepreneurial success to the table. With roots going back to 2015, this team knows how to win together and lose together, which helps them quickly recognize and resolve issues that would sideline less cohesive groups. Because they are working on a problem they have each experienced firsthand in their own businesses, this quartet is both personally & professionally invigorated by the challenge of using today's technology to create better systems for supporting small businesses that are preparing for growth and financing.

Investment Summary: Pebble Plan has won \$43K in non-dilutive funding so far. We have not started equity fundraising yet, however we plan to begin seeking & accepting equity investments in late 2023 or early 2024.
